

Contributors

CHRISTOPHER H. ACHEN is associate professor of political science at the University of California, Berkeley. He is the author of the forthcoming *Statistical Methods for Quasi-Experiments* (University of California Press).

HERB ASHER is a professor of political science at The Ohio State University. He is the author of *Presidential Elections and American Politics, Causal Modeling*, and a number of articles on political behavior and methodology.

LAWRENCE BAUM teaches political science at Ohio State University. He is author of *The Supreme Court* (1981) and has done research on several aspects of judicial policy making, including implementation of judicial decisions, diffusion of innovative doctrines, and case screening by appellate courts.

DAVID R. BEAM has been a member of the ACIR research staff since 1974. He directed the Commission's studies of *The Federal Role in the Federal System: The Dynamics of Growth* (1981) and *Regulatory Federalism: Policy, Process, Impact and Reform* (1983).

TIMOTHY J. CONLAN received his Ph.D. from Harvard University. He has conducted research on the politics of federal aid reform, regulatory policy, and the politics and theory of governmental growth.

LEON D. EPSTEIN, a past-President of the American Political Science Association (1978-79), is the Hildale Professor of Political Science at the University of Wisconsin-Madison. He is the author of *Political Parties in Western Democracies* (1967, 1980) and of other books and journal articles chiefly on British and American politics.

ADA W. FINIFTER is professor of political science at Michigan State University. She has published articles relating to political alienation, political deviance, and political efficacy in the *American Political Science Review*, *American Journal of Political Science*, *Public Opinion Quarterly*, and other journals, and is the editor of *Alienation and the Social System*.

MARIANNE GITHENS is a professor of political science at Goucher College and past president of the Women's Caucus for Political Science. In addition

to coediting *A Portrait of Marginality* with Jewel Prestage, writing extensively on women and politics and developing a number of innovative courses in this area, she has lectured both in the United States and abroad on women's political behavior.

JOHN G. GUNNELL teaches political theory at the State University of New York at Albany and writes in the areas of the philosophy of political inquiry, the history of political theory, and political philosophy.

M. DONALD HANCOCK is a professor of political science and Director of the Center for European Studies at Vanderbilt University. He has written various articles, chapters and books on Swedish and German politics.

SUSAN B. HANSEN is associate professor of political science at the University of Pittsburgh. Her most recent publication is *The Politics of Taxation* (Praeger, 1983).

RONALD INGLEHART is professor of political science and faculty associate in the Institute for Social Research at the University of Michigan. Co-investigator in the Euro-Barometer surveys carried out biannually by the European Community, he has been a visiting professor at several universities in Western Europe and Japan.

ROBERT O. KEOHANE is professor of politics at Brandeis University and co-author with Joseph Nye of *Power and Interdependence: World Politics in Transition*. He is currently writing a book on cooperation and discord in the world political economy.

DONALD R. KINDER is associate professor in the departments of political science and psychology, and associate research scientist in the Center for Political Studies, all at the University of Michigan. He is completing a book on television news and public opinion (with Shanto Iyengar) and in the middle of another on the political consequences of economic predicaments.

NAOMI B. LYNN is professor and head of the political science department at Kansas State University. She has served on the Council of the American Political Science Association and the National Council of the American Society for Public Administration; she is Vice-President and will be the 1984-85 President of ASPA.

JOEL S. MIGDAL is professor and chairman of the International Studies Program in the University of Washington's School of International Studies. His books include *Peasants, Politics, and Revolution* (1974) and *Palestinian Society and Politics* (1980), both published by Princeton University Press.

LEROY N. RIESELBACH is a professor of political science at Indiana University. He is the author of *The Roots of Isolation* (1966), *Congressional Politics* (1973), *Congressional Reform in the Seventies* (1977), and (with

Joseph K. Unekis), *Congressional Committee Politics: Continuity and Change, 1971-1980* (forthcoming).

WILLIAM H. RIKER, University Dean of Graduate Studies and Wilson Professor of Political Science at the University of Rochester, is currently President of the American Political Science Association. His most recent book is *Liberalism Against Populism: A Confrontation Between the Theory of Democracy and the Theory of Social Choice*.

BRUCE RUSSETT is professor of political science at Yale University, Editor of the *Journal of Conflict Resolution*, and President of the International Studies Association. He has published over 100 articles and 16 books, most recently *The Prisoners of Insecurity: Nuclear Deterrence, the Arms Race, and Arms Control*.

DONNA E. SHALALA is professor of political science and President of Hunter College of the City University of New York. From 1977 to 1980 she served as Assistant Secretary for Policy Development and Research at the U.S. Department of Housing and Urban Development.

DONALD E. STOKES is University Professor of Politics and Public Affairs at Princeton University and Dean of its Woodrow Wilson School of Public and International Affairs. His research has sought to analyze both the political and knowledge components of government action in the U.S. and other countries.

DAVID WALKER is Assistant Director of the U.S. Advisory Commission on Intergovernmental Relations. He is the author of *Toward a Functioning Federalism* and has written numerous articles and chapters for books.
