Contributors

HENRY E. BRADY is director of the Data Archive and Technical Assistance Program and associate professor of political science and public policy at the University of California, Berkeley. He is the president of the American Political Science Association's Political Methodology Section. He has written on psychometrics, survey research, and political methodology and on voting behavior, public opinion, and political participation in the United States, Canada, Estonia, and Russia. He is coauthor of *Letting the People Decide: Dynamics of a Canadian Election*, Stanford University Press, 1992.

LARRY M. BARTELS is professor of politics and Stuart Professor of Communications and Public Affairs in the Woodrow Wilson School at Princeton University. He is the vice-president of the APSA's Political Methodology Section. He has written articles on statistical research methods, electoral politics, and public opinion, as well as *Presidential Primaries and the Dynamics of Public Choice* (Princeton University Press, 1988), which won the American Political Science Association's Woodrow Wilson Foundation Award.

COLIN CAMPBELL, S.J. is University Professor in the Martin Chair and director of the Graduate Public Policy Program at Georgetown University. He was founding cochair of the International Political Science Association Research Committee on Structure and Organization of Government and founding coeditor of *Governance: An International Journal of Policy and Administration*. He has had fellowships at York University in Toronto (where he formerly taught), the University of Manchester, and Australian National University. He has twice been a guest scholar at the Brookings Institution. He has published widely in the field of comparative executive leadership. His book, *Managing the Presidency*, won the Presidency Research Section's Richard E. Neustadt Award for the best book published on the presidency in 1986.

JAMES A. CAPORASO, Bloedel Professor of Political Science, University of Washington, is currently treasurer of the American Political Science Association and a past Council member, and former vice-president of the International Studies Association. Most recently, he is coauthor (with David Levine) of *Theories of Political Economy* and has written in the fields of international relations theory and international political economy. He is also the editor of *Comparative Political Studies*.

SUSAN J. CARROLL is an associate professor of political science at Rutgers University and senior research associate at the Center for the American Woman and Politics (CAWP) of the Eagleton Institute of Politics. She is the author of various works on women's political participation including *Women as Candidates in American Politics* (Indiana University Press, 1985). Her most recent research focuses on the impact of women in public office.

DAVID COLLIER is professor and department chair in political science at the University of California, Berkeley. His research focuses on Latin American politics, the study of national political regimes, and comparative method. He is editor and coauthor of *The New Authoritarianism in Latin America*, and coauthor of *Shaping the Political Arena: Critical Junctures, the Labor Movement, and Regime Dynamics in Latin America*.

RUSSELL J. DALTON is professor of political science at the University of California, Irvine, chair of the department of politics and society, and director of the UC Irvine Research Program on Democratization. His scholarly interests include comparative political behavior, political parties, political change in advanced industrial societies, and democratization processes. Among his recent books are *Citizen Politics in Western Democracies* (1988), *Politics in Germany* (1992), and *The Green Rainbow: Environmental Groups in Western Europe* (forthcoming).

ADA W. FINIFTER, professor of political science at Michigan State University, is a past president of the Midwest Political Science Association and has been vice-president of the American Political Science Association. She has written on political alienation, political deviance, public opinion in the United States and the Soviet Union, and political aspects of international migration. She was also the editor of the first edition of this book.

WILLIAM A. GALSTON is professor, School of Public Affairs at the University of Maryland at College Park, and senior research scholar, Institute for Philosophy and Public Policy. He is currently on leave serving as deputy assistant to President Clinton for domestic policy. His scholarly interests include political philosophy, American politics, and public policy. His most recent books include *Liberal Purposes* (Cambridge University Press, 1991) and *Virtue* (New York University Press, 1992).

JOHN A. GARCIA is currently department head and associate professor of political science at the University of Arizona. His primary research interests are minority and urban politics with emphases on political behavior and public policy. He received his Ph.D. from Florida State University.

DORIS A. GRABER, professor of political science at the University of Illinois at Chicago, is a past president of the Midwest Political Science Association and has been a vice-president of the American Political Science Association. Among her recent books are *Processing the News: How People Tame the Information Tide* (1988), *Public Sector Communication: How Organizations Manage Information* (1992), and *Mass Media and American Politics* (1993). She is editor-in-chief of *Political Communication*, an interdisciplinary international journal.

ROBERT HUCKFELDT is professor of political science at Indiana University in Bloomington. His interests lie in the general areas of urban and electoral politics. He is the author or coauthor of *Dynamic Modeling; Politics in Context; Race and the Decline of Class in American Politics*; and *Citizens, Politics, and Social Communication* (forthcoming).

KENNETH JANDA holds the Payson S. Wild Chair in Political Science at Northwestern University. He is past president of the American Political Science Association's sections on Political Organizations and Parties and on Computers and Multimedia. He is the senior author of *The Challenge of Democracy*, a leading text on American government, but most of his published research is on comparative political parties.

DONALD F. KETTL, professor of political science and public affairs at the University of Wisconsin-Madison, is associate director of the university's Robert M. La Follette Institute of Public Affairs. He has written extensively on the problems of public administration and governmental performance, including *The Politics of The Administrative Process* (with James W. Fesler); *Sharing Power: Public Governance and Private Markets*; and *Government by Proxy*.

JACEK KUGLER, the Elisabeth Rosecrans Professor of International Relations at the Claremont Graduate School, is a past president of the Conflict Processes Section of the American Political Science Association. He has written on the initiation, escalation, and consequence of major wars, the long-term stability of nuclear deterrence, and nuclear proliferation. He has also contributed to political demography, economic development, and modeling of international decisions. In addition to numerous scholarly articles, he has coauthored *The War Ledger; Births, Deaths and Taxes*; and coedited *Exploring the Stability of Deterrence* and the forthcoming *Parity and War*.

DAVID LALMAN is assistant professor of government and politics at the University of Maryland. His work is in the areas of formal and positive theory and international relations.

PAULA D. McCLAIN, professor of government and foreign affairs at the University of Virginia, is past president of the National Conference of Black Political Scientists, former member of the American Political Science Association's Executive Council, and program cochair for the American Political Science Association's 1993 Annual Meeting. Her research is in the areas of urban violence, black politics, racial-minority-group political competition, and urban politics.

MICHAEL L. MEZEY is professor of political science and associate dean of the College of Liberal Arts and Sciences at DePaul University. He is the author of *Comparative Legislatures* (1979), *Congress, the President, and Public Policy* (1989), and numerous articles, papers, and book chapters in the areas of American politics and comparative legislative behavior. He serves on the editorial boards of the *Legislative Studies Quarterly* and the *Journal of Politics* and edits the Book Review section of the *Journal of Politics*.

JOE A. OPPENHEIMER, professor of government and politics at the University of Maryland, specializes in positive and normative political economy. He has written books and articles on public choice, distributive justice, and methods, as well as software to author game theoretic experiments. His latest book, coauthored with Norman Frohlich, is *Distributive Justice: An Experimental Approach to Ethical Theory*.

RONALD ROGOWSKI is professor and former chair of political science at the University of California, Los Angeles. He is currently president of the American Political Science Association's organized section in Comparative Politics and serves on the APSA Council and Administrative Committee. His most recent book is *Commerce and Coalitions* (1989).

ARLENE W. SAXONHOUSE is chair of the department of political science at the University of Michigan. She has published widely in the area of classical political thought and is the author of *Women in the History of Political Thought: Ancient Greece to Machiavelli* (1985) and *Fear of Diversity: The Birth of Political Science in Ancient Greek Thought* (1992).

MARTIN SHAPIRO is professor of law in the interdisciplinary Ph.D. Program in Jurisprudence and Social Policy of the School of Law, University of California, Berkeley. A past president of the Western Political Science Association and past vice-president of the American Political Science Association, he is the author and editor of numerous books and articles on American and comparative law and politics.

PAUL M. SNIDERMAN is professor of political science at Stanford University and research political scientist at the Survey Research Center, University of California at Berkeley. He has written on personality and politics, political alienation, democratic values, and issues of race in American politics. His most recent book, *Reasoning and Choice: Explorations in Political Psychology* (with Richard A. Brody and Philip E. Tetlock), won the 1992 Woodrow Wilson Foundation Award.

JOHN SPRAGUE is professor of political science and chair of the department at Washington University in St. Louis. He has written on the U.S. Supreme Court, lawyers in politics, the dynamics of riots, the history of socialist voting in Western Europe, the social and economic determinants of criminal behavior, and the effects of contexts on both criminal and political behavior.

PIOTR SWISTAK is assistant professor of government and politics at the University of Maryland. His work is in the areas of formal and positive theory, research methods, and public policy.

MARTIN P. WATTENBERG is professor of political science at the University of California, Irvine. His first regular, paying job was with the Washington Redskins in 1977, from which he moved on to receive a Ph.D. at the University of Michigan in 1982. While at Michigan, he authored *The Decline of American Political Parties* (Harvard University Press), soon to be in its fourth edition. Most recently, he has written *The Rise of Candidate-Centered Politics: Presidential Elections of the 1980s*, also published by Harvard.

LINDA M. G. ZERILLI is assistant professor of political science at Rutgers University. She has published widely in the areas of feminist political theory, French feminism, and postmodernism. Her book, *Signifying Culture and Chaos: Woman in Rousseau, Burke, and Mill* is forthcoming from Cornell University Press. She is currently working on a manuscript entitled *Feminist Theory without Solace: The Work of Simone de Beauvoir in Postmodern Context*.
