

APSA Annual Meeting: Trends and Highlights

The 2026 APSA Annual Meeting takes place from September 3-6 in Boston, Massachusetts, USA. In anticipation of this year's meeting, we share a collection of data from past Annual Meetings. We encourage all Annual Meeting attendees to add surveys@apsanet.org to their address book and monitor their inboxes for this year's Annual Meeting Survey, which will arrive on Tuesday, September 8. For any questions, please contact us at surveys@apsanet.org.

Figure 1: Annual Meeting Satisfaction Throughout the Years

"Would you recommend the APSA Annual Meeting to a colleague?"

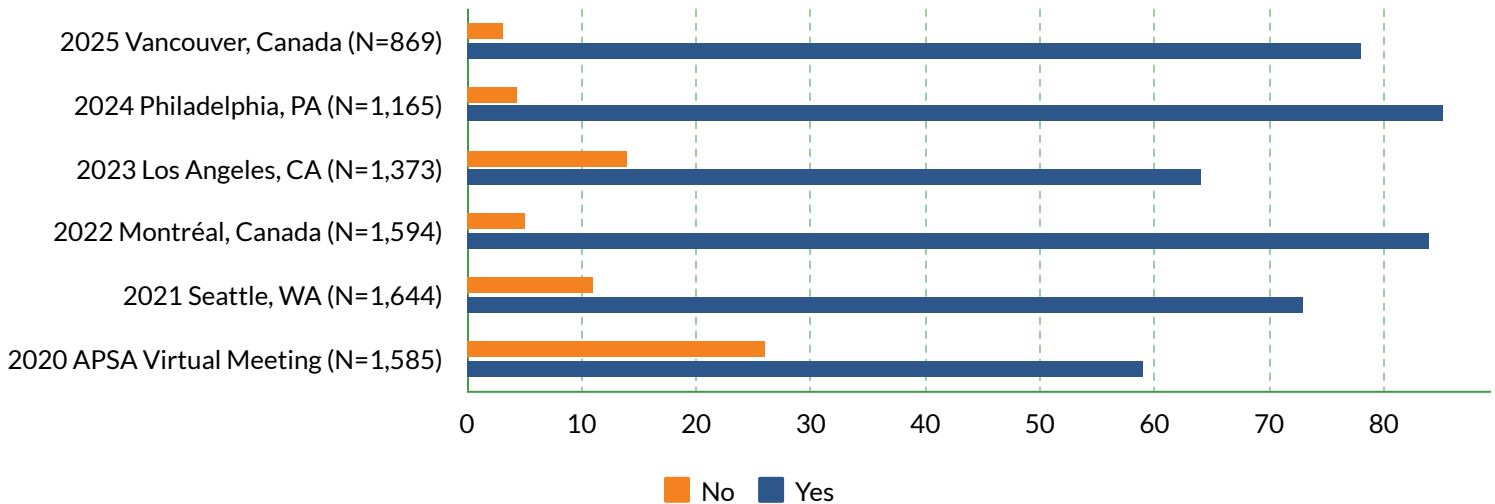

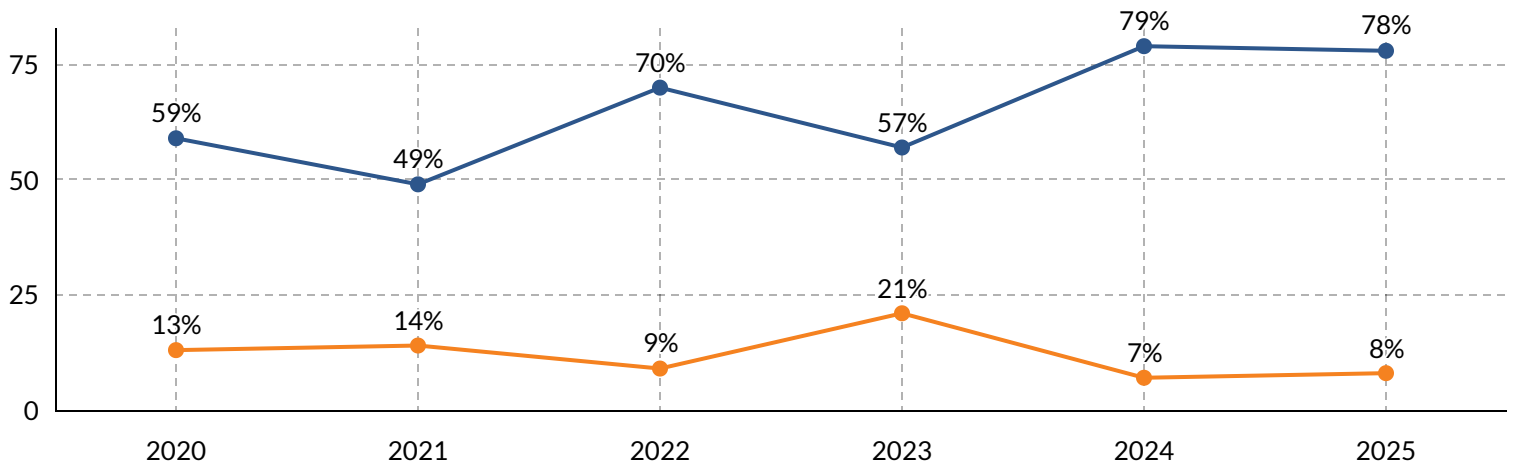

Figure 2: Annual Meeting Climate Throughout the Years

"The Annual Meeting has a welcoming and inviting climate."

● Agree ● Disagree

"Agree" reflects the sum of both "agree" and "strongly agree" responses; "disagree" reflects the sum of both "disagree" and "strongly disagree" responses. Responses of "neither agree nor disagree" are not shown.

15% of 2025 attendees uploaded their paper, presentation, or poster to APSA Preprints. Visit <https://preprints.apsanet.org> for more information about APSA Preprints.

50% of 2025 attendees said that Annual Meeting resources are important to their career strategy. Visit <https://connect.apsanet.org/apsa2026/career-open-house/> for information about the 2026 Annual Meeting Career Open House.

We Rely on You!

Our team relies on **your** participation to collect our data. We use your invaluable feedback to improve the resources we offer, develop our programs, and provide you with timely and accurate information on the profession. Please add surveys@apsanet.org to your email address book, and keep an eye out for our forthcoming Annual Meeting and Member Impact surveys. Five minutes of your time results in better data quality for everyone!
